

Wright Track Coaching - Athletics Coach

Job Type – Part Time

Salary – Competitive hourly rate in line with experience

Location – Rugby with occasional travel to Birmingham

At Wright Track Coaching, we are looking for passionate and driven athletics coaches to join our existing set up and help expand our current programme. This is a fantastic opportunity to be part of an environment that has produced multiple national and international athletes at junior and senior level over the last few years.

This coaching role would be focused on the foundation and development end of our pathway. These are crucial stages, where athletes build key technical and physical foundations to support future performance. It is also where athletes develop key personal and life skills, which we believe sets them up for a successful future both on and off the track.

Job Duties

- Assist with the delivery of the Wright Track Athlete Development Pathway
- Lead a group of junior athletes in sprint and hurdle events
- Plan and deliver structured sessions with the support of the WTC Head Coach and materials provided
- Motivate and inspire talented developing athletes
- Attend competitions as athlete support in the indoor and outdoor seasons
- Occasional cover/assistant coaching for our performance and elite groups

Requirements

- Level 2 or above England Athletics Coach qualification
- A valid DBS as part of an up-to-date coaching license
- A minimum of 1 year coaching experience - ideally working with children aged 10-16
- Good technical knowledge of the sprint events
- A basic level of technical knowledge of hurdle events would also be preferred - this is not essential, but would need to be developed as part of the role

Skills & Abilities

- Strong interpersonal and communication skills
- Charismatic and engaging to enthuse and inspire young athletes
- A passion for athletics and athlete development
- Great organisation and time management skills
- A willingness to learn and develop as a coach
- Ability to collaborate with other coaches to work towards a mutual goal

Hours & Pay

- This is a part time role
- Successful applicants would be doing between 5-8 hours of coaching a week
- Hours would be weekday evenings, or weekend mornings
- Pay is at a competitive hourly rate, depending on experience - minimum of £15 per hour
